PLEASE TAKE NOTE:

We charge a plan fee for each listing made. You will have a choice of 6 plans to choose from. The plan to select depends on your business size and whether you want to pay monthly or annually. **Your listing will be displayed if there is an active plan (paid) and an approved listing, until you cancel it.**

Important:

- Once you subscribed to a plan it will auto renew and auto deduct once the period's end is reached - as per plan. (Annually or Monthly/30 days)
- ***Should you wish to cancel your listing's plan / renewal and auto payment*** you would need to inform us BEFORE the renewal /expiry date approaches.
- Once you requested cancelation : the current period will still run out. No prior date cancelations will generate a refund. We can however remove your listing if you require so before the plan's end date.
